

Dear Patients,

We at Schneider Family & Cosmetic Dentistry would like to remind you that we are fully dedicated to your health and safety. As part of our commitment to cleanliness and the new CDC guidelines released this month, we have made the following changes to our COVID-19 policy:

- Patients are no longer required to call the practice before coming into the office.
- We still ask that you wear a mask while in the office.
- Temperatures will be taken upon entry for all patients and staff.
- Air purifiers are still being used in the office.
- We sanitize all surfaces regularly.
- We use a pre-rinse before care.

In addition to these efforts, Dr. Schneider has received the COVID-19 vaccine – ensuring the highest level of safety against the virus.

If you have any questions or would like to make an appointment, please give us a call at (704) 660-1802. We look forward to seeing you at your next appointment!

Sincerely,

*-The Schneider Family & Cosmetic Dentistry Team*
